

The Foundation for Black Excellence: Website Designer (volunteer)

Who We Are

The Foundation for Black Excellence is a 501(c)(3) nonprofit organization whose mission is to provide comprehensive intervention, prevention, education and community services for vulnerable populations in the community.

What We Do

While the US and much of the world is experiencing the COVID-19 pandemic, we focus our efforts on a pandemic with a much longer history - racism. Both issues directly affect the Black community. To combat these effects, we have committed to 3 major programs:

- FBE Schools
 - We will open our first Montessori school in the city of New Orleans in the Fall of 2021.
- Voices of Tomorrow
 - A student-led conference that provides space for our youth to take center stage and share their excellence and expertise with us.
- Community Partnerships
 - We provide resources to the communities we serve through various programs such as the Black History Book Drive and Giveaway, and various other book, food, clothing, and toy drives throughout the year.

What We Offer

- The opportunity to contribute to an organization focused on advancing social justice and equity
- A safe space to reflect on and increase your contributions to the possibility of an equitable society
- The potential to build life-long and enriching relationships with others
- Meaningful career experience in the nonprofit sector

Your Role

This is an unpaid, volunteer position. The FBE is looking for an experienced website designer to work directly with the Director of Communications in maintaining the official website of the organization.

Responsibilities:

- Monitor and evaluate the website and ensure continuity across platforms
- Maintain SEO to increase site traffic
- Utilize Google Analytics and other monitoring platforms to expand the organization's reach

We'd love to speak with you if you possess:

- A demonstrated portfolio of successful website design and maintenance
- Previous marketing and/or fundraising experience is awesome
- Experience working as part of a team
- Exceptional written and verbal communication skills
- A keen awareness of and/or interest in educational inequities in the US and a desire to make lasting change
- A willingness to support and cultivate future web design professionals focused on equity
- A passion for social justice and equitable education

Share Your Excellence
